Dear Chairmen:

Pursuant to Section 9-4-5202, Tennessee Code Annotated, the State Funding Board secures a report of the estimated growth rate of the State's economy for the coming fiscal year from The University of Tennessee's Center for Business and Economic Research. A copy of this report dated May 7, 2007 is attached. This estimate is based on the projection of growth of personal income contained within the broader economic forecast derived from the Tennessee Econometric Model. A detailed discussion of the forecast is provided in the Economic Report to the Governor, dated January 2007. This report currently can be found on UT-CBER's website [<http://cber.bus.utk.edu/erg2007.pdf>]

The statute directs the Board to determine the reasonableness of the estimated growth rate. In order to reach a conclusion as to reasonableness, the Board met on May 7, 2007 to discuss the estimate and the economic forecast from which it was derived. The Board was assisted in the effort by a staff paper prepared by Mr. Kevin Krushenski, Senior Legislative Research Analyst, and by Mr. Keith Boring, Associate Legislative Research Analyst, with the Office of Research of the Comptroller of the Treasury. This staff analysis, attached for your information, compares gross domestic product estimates produced by CBER with the estimates produced by other economic forecasting agencies as well as evaluates current economic conditions and trends via outside forecasts. Dr. William Fox of CBER also attended the meeting. The staff analysis and Dr. Fox's report on the estimated growth rate currently can be

found on the Comptroller's website under "Economic and Business News."

After carefully reviewing the report and staff paper and discussing the forecast, the Board has directed me to convey to you our determination. The Board finds that the estimate of growth rate in Tennessee nominal personal income determined at 5.5% appears reasonable.

Also, attached is a list of state tax and non-tax revenue sources as approved by the State Attorney General as of April 30, 2007.

Sincerely,

A handwritten signature in black ink, appearing to read "John G. Morgan", followed by a horizontal line extending to the right.

John G. Morgan, Secretary
Tennessee State Funding Board
